

Family Hub · What's Shipped

Everything a family can do on the test site today, in plain words. One slide per area; every row says what you can do, who it's for, and the ticket that shipped it.

Getting started

From stranger to signed-in family in minutes.

Public site

WHAT YOU CAN DO

Welcome, Pricing (Free / Family \$7.99 / Family Pro \$12.99), About, and full Legal pages with a shared header and footer.

WHO IT'S FOR

visitor

SHIPPED IN

FHS-509

FHS-546

Sign up

WHAT YOU CAN DO

Your own family web address (like /t/khan-family). Passwordless: email magic link or Google. Expired links get a clear error screen.

WHO IT'S FOR

Sarah

SHIPPED IN

FHS-331

Onboarding

WHAT YOU CAN DO

A short wizard: members with roles and kids' ages, timezone and currency auto-detected, starter habits pre-seeded, invites emailed in one go.

WHO IT'S FOR

Sarah

SHIPPED IN

FHS-487

Parent dashboard

The daily driver: one place for the whole household.

Six tabs

WHAT YOU CAN DO

Today, Meals (week planner plus snacks), Calendar, Assignments, Noticeboard (emoji notes), Tasks (assign, filter by member, mark done).

WHO IT'S FOR

Sarah

Yusuf

SHIPPED IN

FHS-179

Calendar sync

WHAT YOU CAN DO

Repeating events, plus a private subscribe link that feeds the family calendar into Google, Apple or Outlook. Admins can rotate a leaked link.

WHO IT'S FOR

Sarah

SHIPPED IN

calendar-sync

Change email

WHAT YOU CAN DO

Self-serve change-email flow with a confirmation screen, so an account never gets locked to a dead address.

WHO IT'S FOR

any adult

SHIPPED IN

FHS-510

Family management

People, roles and safety for real households.

Manage Family

WHAT YOU CAN DO

Grown-ups (email sign-in) and Kids (PIN sign-in) in one screen: invite adults, add kids without email, set or reset PINs, remove members.

WHO IT'S FOR

Sarah

SHIPPED IN

FHS-513

Roles

WHAT YOU CAN DO

Admin / adult / teen / child / guest with a full privilege matrix. Kids can never reach parent settings; money and member powers are admin-only.

WHO IT'S FOR

everyone

SHIPPED IN

FHS-515

Real families

WHAT YOU CAN DO

Twins and triplets without data errors, blended families with 3+ parents, grandparents as adults or guests, kids who claim a login later keep their history.

WHO IT'S FOR

everyone

SHIPPED IN

ADR 0009

Reward economy

Chores quietly teach money skills.

Stickers

WHAT YOU CAN DO

Each family sets what a sticker is worth (per-child override).
Habit pay boosts (2x/3x/5x), optional skip penalty, pocket money.

Sarah

kids

SHIPPED IN

FHS-290

Invest & grow

WHAT YOU CAN DO

Parents invest a child's stickers into a habit with a growth multiplier: it pays more AND the invested value grows every completed day.

WHO IT'S FOR

Sarah

kids

SHIPPED IN

FHS-534

Admin Panel

WHAT YOU CAN DO

Every child's balances at a glance, quick actions (claim, cash out, save, invest, withdraw), audited week history, week close and reopen.

kids

teens

SHIPPED IN

FHS-368

Reward shop

WHAT YOU CAN DO

Kids browse rewards and send requests; parents approve and redeem at the family's rates.

WHO IT'S FOR

kids

Sarah

SHIPPED IN

FHS-517

Learn

WHAT YOU CAN DO

Logic, a full Maths journey (placement, lessons, times tables, certificates), World Flags (map, flashcards, quizzes) and a reading log. Kid-only.

WHO IT'S FOR

kids

SHIPPED IN

ADR 0017

Per-child view for parents

One child, the whole picture.

Child World

WHAT YOU CAN DO

Open any child's world from the account menu: habits, rewards, meals, calendar, journal, and read-only Learning Insights.
