01 · CUSTOMER

Who it is for

DIRECT · B2C

Families

One shared household view. Fewer reminders, clearer routines and more meaningful time together.

PARTNER · B2B2C

Trusted organisations

Support many families through one platform delivered by a school, club or family organisation.

02 · CATEGORY

Where we compete

Shared plans

Positive habits

Rewards

Money conversations

Other tools stop at one task. Family Hub connects the household loop.

03 · MODEL

Two routes to revenue

FAMILY SUBSCRIPTION

AED 29–49

per month · direct adoption and recurring revenue

PARTNER PLAN

AED 1,099–12,849

per year · reach many households through one relationship

04 · ADVANTAGE

The household rhythm compounds

Shared history

Plans and kept weeks build one family record.

Personal routines

Each child develops their own rhythm over time.

Family rules

Rewards and money learning reflect each home.

The more a family uses the connected loop, the harder it is to replace with isolated tools.
